Choosing the Right ILLUMINE WHITEBOARD

All Illumine products are made from the highest quality materials to deliver best-in-class performance.

Ultra-Lux Whiteboards

- High Gloss whiteboard made with enameled porcelain
- Endures heavy daily use and is resistant to scratches, stains, bacteria, chemicals, fire and graffiti
- Primary use mode: writing and erasing
- Use dry erase markers. Permanent markers can be erased with whiteboard cleaner
- Easy to clean. Bleach cleanable

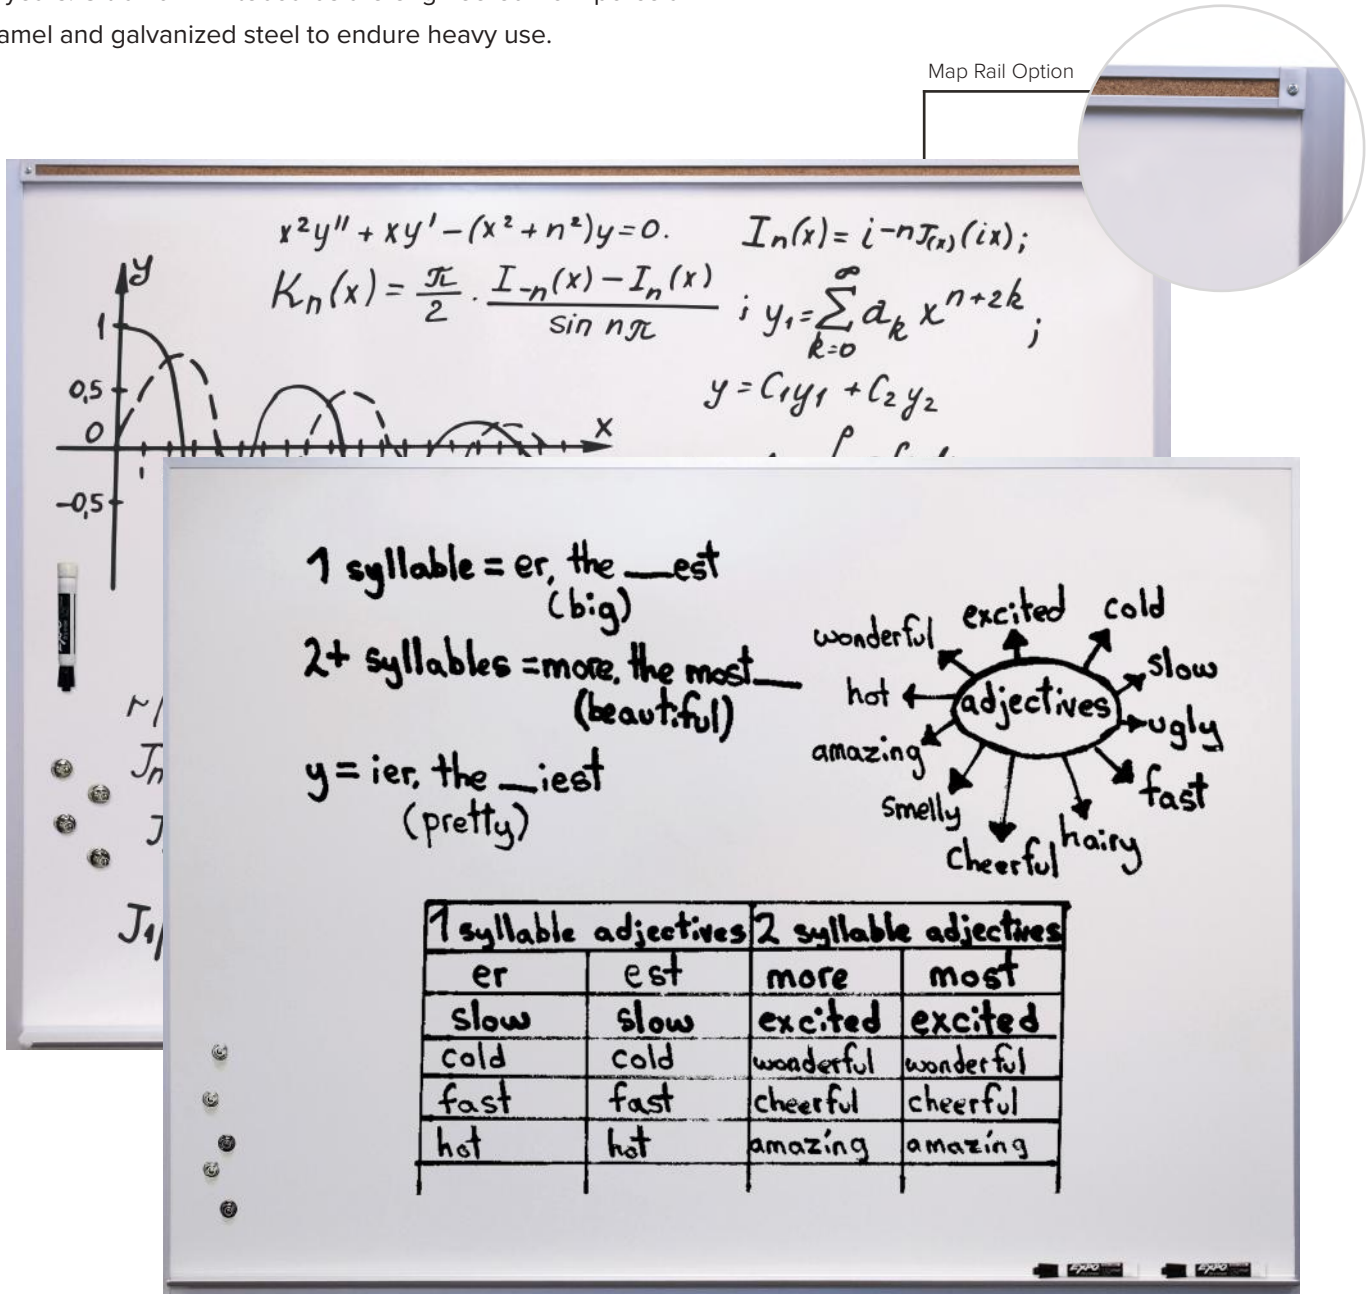

Ultra-Cast Projection Boards

- Matte or Satin surface provides excellent writability and low glare
- Can be used with short throw, long throw or interactive projectors
- Eases eye strain and minimizes distractions from reflections in the room
- Primary use mode: projection and writing. Ideal for spaces with excessive ambient light
- Use dry erase markers
- Dry erase for quick cleaning and wet erase for deeper cleaning
- Easy to clean. Bleach cleanable

ULTRA-LUX WHITEBOARDS

Whiteboards have been the preference of architects, school administrators and educational equipment suppliers for over 30 years. Ultra-Lux Whiteboards are engineered from porcelain enamel and galvanized steel to endure heavy use.
